

Build Authentic Leadership

A full day workshop exploring the four components of authenticity. Discuss the role of awareness, vulnerability, accountability and positive mindset and their impacts on leadership and presence. Use case studies to examine leadership models and define your value proposition. Incorporate drivers of engagement to ensure there is modeling for inclusive climates.

Workshop Overview

- Authentic Leadership - what is it and why it's important and how it shows up?
- Examine where have the components shown up in our own lives
- Review behavioral styles and motivations; DISC® and 12 Driving Forces®
- Examine the drivers of engagement and increase personal presence
- Develop leadership plans to incorporate authenticity and inclusion

Takeaways

- Personal Leadership Development Plan
- Value Proposition - What is our value to the team and our organization
- How to increase team cohesion and create an inclusive climate
- Personal User Manuals - Handbook on communication style and skillsets
- DISC® and 12 Driving Forces® Reports

“The workshop with us was wonderful. You helped us set the groundwork for powerful work together.”

- S. Diamond; Listings Project
